“ Hi Sharon, It has been so many years since we have connected at all. I recall seeing you a few times from afar. Your family is remembered with great fondness as I shared the news with Martha. I also remember how Linus and Sylvia loved your family, my parents were great friends of theirs too. I was so sorry to hear of your husband's passing. You lost a great friend after 55 years! May God give you peace and comfort during this very difficult time. I just got home after having my 4th knee replacement, so couldn't send a note sooner. Much love to you and greet Jeanne and Bonnie!

“ We will miss you, Uncle Don. I'll always remember his loving smile & hugs: He made me feel like I was important and special EVERY time I saw him. Sharon, Randy, Lisa & families... I'm praying our compassionate Lord will hold you deeply in the palm of his loving hand, that you would know His presence in your life and be drawn to a deeper life with Him. I love you!

“The winds that sometimes take something we love, are the same that bring us something we learn to love. Therefore we should not cry about something that was taken from us, but, yes, love what we have been given. Because what is really ours is never gone forever.” So very sorry to hear of the passing of Don. Our love and deepest sympathies. Lynnette and Mike Strong
