“ *My fondest memories are when we would visit the house, Suzy, Danny and I made a beeline for the basement to play pinball and the penny slot machine. I think there was a dartboard down there too. Uncle Don got such a kick out of how happy it made us. Love you, Uncle Don. Rest in peace and keep Dad company.* ”

BF

“ *I looked forward to our breakfast get togethers with Don, Bill, and Gerri at Perkins. I'm so glad we all got together in April for Don's 90th birthday. I'll miss his ready smile and parting comment, "I love you". We all love you too Don. Rest in peace.* ”
