“ Don was always willing to give a helping hand. Trimming trees and picking up brush was always a great time....Until his big butt broke the tractor seat!!! LOL...Even when I would rent a cherry picker to trim trees he insisted that he be in the bucket, even when he was sick I couldn't keep him out of it. He was a great friend and he will be missed.

Don was our neighbor at our seasonal site at Patricia Lake campground in Minocqua. You couldn't find a nicer man than Don. He would walk around the campground and talk to everyone. He always had kind words for everyone. I will miss his smile and his friendship. Rest in Peace Don. You will be missed by many.
