“ Dear Freeburg Family

I was sad to see Don's death. He was the office manager at American Hardware Mutual when I was hired as a customer service rep in 1974. Don was a great manager and wonderful person to work for. He always treated the staff well and kept them in stitches with his sense of humor. I was able to find a copy of "Ludefisk Lament" at an antique store. We play this quite often and our grandchildren thoroughly enjoy the story. Thank you for sharing Don.

Perhaps Kermit and Don are sharing Ludefisk right now. May God bless you all.

“ Dear Freeburg Family:

I was very saddened to learn of Don's death. He was the office manager at American Hardware Mutual when I started my first real job after graduating from college in 1968. Don was a wonderful man and one of the nicest people I got to know during my long insurance career. I'm very sorry for your loss and I wanted you folks to know I was thinking about you. May God bless your family!
