“ Liz and Family, I'm so sorry to hear of your loss. I know it's hard, but you'll think often of all the good memories and that no one can take away. Take care and hope to see you soon.

“ Papa~
I love you very much and miss you dearly but I know that you are able to breath now and that brings me great joy and comfort.

Thank you for always loving me and being proud of me no matter what.

Thank you for trying so hard to stay with us all for so long; all the minutes are treasured time you struggled to give us.

Always your daughter~
Beth

“ We are so very sorry for your loss. You are all in our thoughts and prayers. Liz(Beth) is a wonderful friend of ours. We know there is very little we can say to fill such a void. Please know his life and the lives he created have made such a wonderful difference to those he's touched. May the many memories you have shared with him, bring you much happiness in the future.
