“ All that know Grandpa Don know that he’s passionate about photos. When I was dating Laura (his granddaughter) we visited his condo. This is my first time mind you.

He asked if he could show me something and brought me to a room full of picture albums. He closed the door, put his back to the door and asked me to grab one picture album after another so he could show me past vacations and family gatherings.

At the end of the picture session he gave me a sweatshirt he got from one of his vacations that says “Maine, the way life should be.”

I still wear that sweatshirt today. It’s one of my favorite sweatshirts.

Sorry to hear of Pastor Holsten's passing. He is the pastor that performed our marriage ceremony (Dareld and Sue Lundgren) over 66 years ago. Many wonderful memories of living next to the parsonage with Don and Marge.
