

## Mr. Donald Arthur Jahnke

May 23, 1950 - November 30, 2018

Donald Arthur Jahnke 68, passed away Friday, November 30, 2018 surrounded by family.

He is survived by Mary Jahnke, his daughters Jennifer (Luke) Hansen and Elizabeth (Craig) Wallace, his four grandchildren Tate, Jack, Lucy, and Xander, his sisters Vicki (Mort) Mortenson and Judy Jahnke, his brother Kurt (Jackie) Jahnke, and many nieces and nephews.

Don was preceded in death by his parents Donald and Gertrude Jahnke.

Don was born May 23rd, 1950 in Glencoe, MN. He loved talking to people so his years spent in radio and car sales were perfect for him. He was a proud coach for his daughter's softball team as well as a baseball coach for many years. Everyone who met and knew him said he was a friendly kind hearted person with a great sense of humor. He loved hot summers and hated winter. He was a big Vikings and Twins fan and couldn't wait for baseball season to start. He loved talking sports and debating politics with you. He was a history buff and a self-proclaimed hippie who loved the Beatles and reminiscing about the old days. He was happiest spending time with his grandchildren and granddogs.

Don liked to follow his own path and would often say "I don't want to belong to

any club that will accept me as a member.”

Memorial Service: 12 noon, Saturday, December 8, 2018 with visitation from 11 AM to 12 noon at Washburn-McReavy Bloomington Chapel, 2300 W. Old Shakopee Road, Bloomington, MN 952-884-8145

“ My friendship began with Don back in the mid-80s when he was my boss working for J&C Persons at their country station, and carried on through our other radio station experiences in our Brainerd Lakes market. A cluster of us worked at several call letters in the market! Even as I moved far away - through each phase life, Don and I kept in touch. He loved his family so very much! Being in touch once Facebook was "invented" had him checking in on me! His kindness and similar politics was something we both enjoyed discussing. Don left encouraging, positive notes on my page, was always genuine showing who he was: Truly a wonderful, humane being. Beloved by so many I offer humble and deepest condolences to his family/friends who must be missing him every day. My sorrow is only finding out late February 2019 through a mutual friend that Don had left you all! His spirit remains. May God Bless and Keep Don, and his loved ones close, safe assured that his legacy of kind influence carry on with each of you missing this extraordinary man who left you way too early.
