“ We send our condolences to Don’s family. Don was a dear colleague of my mom, the late Lorraine Schildberger Bangoura, he was also a friend to our family. He was a wonderful human being, an intellect and religious scholar. He and my mom were intellectual buddies. My mom enjoyed talking with him on a variety of topics especially religion. I spoke with him about a year ago upon returning to Minneapolis. He encouraged me and my mom would be proud of me and said that I have the potential to do greater things! He was a much needed light in this world. He will be missed deeply!  
Regards,

*Alfred Bangoura, Kendra and Gabriel.*

“ We were very sorry to hear of Don’s passing. We have many great memories of him. We lived next door to him for 17 years and enjoyed our many visits with him. He had a great sense of humor and was very interesting to talk to. He was very kind and appreciated anything we did for him. We will miss Don very much and know he is now at peace with God.
