“ *Thoughts and prayers to your family. Don was a big part of Leap when he worked here. I enjoyed going through the old yearbooks looking at how much the building has changed. I hope his sons can walk through Leap to see what he was a part of. In sympathy Jim McMahan*

“ Don was an amazingly kind and generous person. I know he loved, loved, loved his wife, Betsy (my friend and co-worker), and his three sons. He was always helpful as his position of Custodian at Hancock School but he was more like a friend to the teachers and staff. He surprised me a couple of times by decorating my classroom (or maybe it was with the help of Betsy) for my birthday. I really enjoyed the special recognition. He will be missed. No more pain for Don; but lots of loving memories of him.
