“ Dear Carol, My condolences to your and the entire family. I knew Don when he was 5 and I was 7, as we were neighbors in Manhattan, Kansas. I didn't know Don again until Linda gave a performance with the Daedalus Quartet. I knew the Thompson family because Jessica was a string student in Wayzata, where I taught. It is sad to know that we attended the Music in the Park series for years and did not know each other from the long ago connection our parents had. You have my sincere sympathy.

“ I have so many good memories of the times our families got together -- tobogganing at Como Park, playing games of double solitaire (I rarely won!), sailing at the lake and trying to tip the sailboat over, meeting at the state fair -- and on and on. I know he will be greatly missed by all of his family.
