Thank you Pastor Mark for bringing these thoughts from scripture, I know that Don studied and lived God's word. Any words he spoke in our Bible Study group were always a blessing. May God comfort you Peggy and your dear family. Love, Bev

“ Noel and I were so blessed to know Don these past 15 years. He had such a gentle spirit and was a friend to all. He and Peggy were welcoming to all in their home. He lived his Christian faith and we knew he had a special relationship with the Lord. He will be greatly missed. We loved you Don.
Peggy we pray that you will have the peace of God which passes all understanding.

“ Dear Peggy and family, "Blessed in the sight of the Lord is the death of His saints."
Sharing with you and Don for decades in the study of God's word and prayer has been so enriching for my walk with the Lord. Don truly was a saint. His walk with the Lord and his knowledge of Scripture was so very evident. He was one of those gentle giants of faith. Don's calm, quiet demeanor and soft spokenness was well know. When he spoke, we became silent, as we didn't want to miss his wisdom. He was so proud of you, Peggy, supporting your gift of hospitality in your home and your many areas of service in the church and your dedication to family. You have been a dynamic duo, and I know he would want you to continue to trust the Lord with all your heart and serve Him as He leads and enables you. I join you in laying up treasure in heaven, first Norris and now Don. God bless the memories of our beloved husbands And God bless you and be your comfort. Love and prayer, Bev
