“ *To Jim and family,
I don't have your address so this will have to do today.
We were just at Golden Living and were shocked to not see Don in the room
with my husband, Paul. Don passed just after we left on Sunday, I am so
sorry! I and my family were very fond of Don and he was the best room mate for
Paul. We will miss him greatly. May God comfort you all. Sincerely, Barbara, Andy
and
