“ *Bev, I was so sorry to find out about Don's passing. He was such a true friend and a great person to travel around with. Our days together at GAF are so special to me and the cards about you and your family at Christmas were the highlite of each year. You and your family are in our thoughts and prayers. Jan and Gary Summey Birmingham, Al.*

“ Dear Bev, It was with great sadness that I read of Don's death. The Golden Gophers have lost one of their most exuberant fans. Some of my happiest memories are of Football season and all of the homecoming parties. Don always made those times so special. I will always remember the bus to Michigan, and the two Rosebowl trips we shared. We were so lucky to have been part of those wonderful times! I share your sadness and send my deepest condolences. “ Steve, we are holding you and your family in our prayers. Though we never had the opportunity to meet your father, we sure feel blessed to have you in our life! If your Dad was anything like you, then we know he was an awesome man! Please feel the power of prayer and support as you journey through this time with your family and know you can always lean on us, for anything!! Love, Shelly & Gary Swanson
