“ *Polly and Family; we were so sorry and shocked to hear about Don's passing. Don was in forum with me for several years and we shared many great times together. Don was someone that always had something to share, someone you learned from. His sense of humor was distinctly his own. We will all miss him.* Joel and Mary Ann Elftmann

“ Mrs. Roux and family: I just learned about Mr. Roux passing and I broke down. I remember Mr. Roux giving me a job at Spots back when I was 18. I always had the utmost respect him and his intelligence. I am glad now that I had the opportunity in recent years to see both you and Mr. Roux. All my thoughts and prayers are with you, Jeff, Alli and Don jr.

“ *Ma Roux and kids, What can I say about a "Great Living American" like Pa Roux? It's men and women like him who have fought for this country and for our freedoms that make this the greatest country in the world. I have been honored to know this man for going on 30 years. He was a man that I looked up to much like my own father. He passed on his wisdom to me and shared his sense of humor with me every time I was with him. He always thought of others. A great example of this is when I was vacationing in Florida with my mom and dad. Ma and Pa Roux and Jeff were also there. My dad suffered a stroke and was hospitalized the whole time. All we wanted to do was get him home to Minnesota as soon as possible. Pa Roux offered to charter a Commander aircraft and fly us home. I will never forget that. Pa Roux always encouraged me in my own flying. And I had the privilege to rent a Skyhawk and have Pa Roux fly co-pilot with me, what a great time. I will always remember the great aviation e-mails he sent me, fortunatley I saved some. He was a God fearing, spiritual, selfless, and just a special human being and I thank God to have known him. God Bless You Pa Roux!!!*

“ Polly and family, I am so sorry for your loss. My memories of Don and you are from way back in the 50's. My mother was Jeanette Scott and we lived across the street from Wit and Maybelle Doty (my Aunt and Uncle). Even at that young age I can still remember seeing you for the first time with Don and thinking how beautiful you were and how happy he seemed. It's refreshing to know that relationships can last all these years and I'm sure you have many wonderful memories. God bless you and your family. Marlene (Scott) Watson Rome, New York

“ Every once in a while, if you are lucky, you'll get to know someone like Don. From the time I first met him, when I was with Procter & Gamble, through our years of association in the PMA, I found him to be a consummate professional and a great friend. I am deeply saddened by his passing.

“ Polly, My condolences to you and your family. I knew Don when I was young. I remember him coming to help my Mom (Jeanette Scott) paint her kitchen one time and he was painting for free that day so he wouldn't paint behind the stove. “ *Polly and Family- Please accept my sincere condolences. I first met Don in the mid-80's when I became involved with the then PMAA. As a PMAA leader, he readily provided wise counsel and friendship. Don encouraged me to get involved with the organization, now PMA, and I remain active today. I always appreciated Don's candor, insight and spirit. Even though I have not seen Don for some time, he and I have remained in contact via email, usually either some good humor, something patriotic or something relating to aviation. Don was a good guy! He will be missed. Sincerely, Pierce Pelouze*

“ It was with great sadness that I learned of Don’s passing. I met Don when we were both board members of the Promotion Marketing Association. He was the rare combination of a strong, visionary leader and a down-to-earth, caring guy you just had to have as a friend. Don was a driving force in the association and the industry who selflessly contributed his time and enormous talent to advance us all forward, as a group, and for many like me, individually. It was an honor to have worked and played with him.
