“ Joyce,

*Your neighborhood family is sending our love and prayers your way. For as long as I've lived here, Don would stop me to chat on my daily walks with Hazel. He always took time to ask me questions about my family and work and he often had a funny school bus story to pass along. He was so proud to live in our neighborhood and that pride was shown in his painstaking care of your home and lawn. He will always be remembered and missed.*

*Terri Gratz and family.*
