Passed September 25, 2024 in Minneapolis. Born June 9, 1935 in Blackduck, MN to George and Mary Sefcik. He was the eighth child of eleven and was a twin to his sister Donna. At 89 years old, he was the last living child of the family. He is survived by many nieces and nephews, step daughter Kathy and special friends Janelle James and Wade Wendlandt.

Donald played basketball at South High School and his love for all sports lasted throughout his life. He was an enthusiastic watcher of basketball, football, golf, horse racing, Olympic sports and pretty much all sports including the high school competitions.

After serving in the Army from approximately 1956 to 1958, he worked at Grain Exchange and other jobs but worked mainly as bartender at Addison's and The Golden Leaf on Seven Corners in Minneapolis.

Donald was married to his wife Carol for about 16 years and they lived in Minneapolis. He enjoyed his retirement in Minneapolis and was chief coffee maker at the Schooner bar in Minneapolis for years. He enjoyed the fellowship there, watching sports, horse racing and playing bingo. He and his brother

Willie spent many years going to Canterbury Park in Shakopee to play the horses. Donald will be missed by all but we can be grateful that he had a full long life doing what he loved to do.

“ He was my Step-pa-pa....He was a very humourous and always kidding around kind of guy. And we all know how socially he was, and his loud laughter was. By the great grace of God he battled & conquered his alcoholism to the day he died. God Bless this man, he will be greatly. Missed!
Luv U Donnie
