“ Dear Michele and Joey,  
I have more recent memories of your mom, but my fondest memory is walking home with her after daily mass when I was just a teenager. I felt honored by the way she shared her thoughts and feelings with me as though I were a friend, not just a naive kid. We had some laughs, too, like how hard it was to stop eating Nut Goodies until they were all gone. When I was a little older, we joked about washing ibuprofen down with a glass of wine! (Why let a headache keep you from enjoying a glass of wine?) Funny, the things that stick with you over the years.

*I am saddened by your mom's passing and deeply sorry for your loss.*

“ Dear Joey and Michele,  
I've always appreciated Donna's wit and how approachable she was. Some of my fondest memories at our family get togethers was with Aunt Donna. She always made me feel welcomed and part of the conversation.  
She was a wonderful person and we all will miss her. My deepest condolences.

We are so very sorry about the loss of your Mom. We always loved coming to see you all in the summers. It was always the highlight of our time in Minneapolis. Your Mom was such a wonderful friend to our Mom and always made us feel so welcome. Please know we are praying for both of you. Take care of each other always.
