“ My deepest sympathy for your great loss. My prayers and thoughts go out to family and friends. Donna was such a good and kind person, I haven't seen her in many years but have good memories of our daughters being close friends and hanging out often. I had a chance to get to know Donna and spend time together. Hold on to all your great memories and hold her forever in your hearts, until you meet again. God bless you all. Tamara Nelson

“ *I wish I could quickly get my hands on the picture of Jeff in a big bunny suit, with Donna on his lap. One of my favorite pictures, packed away right now. Taken in early 1980, I think, in the living-room of my Circle Pines house. Jeff had hopped across the front lawn from the car to my door. So funny! Remember Jeff?*
