“ *I have wonderful memories of Donna. She was a huge part of my childhood; so kind and loving and fun. Her home was always welcoming to us kids in the neighborhood. She was engaging and interested in what you were saying - I remember she could even finish your sentences! What a great person who will be missed by her family and so many whose lives she has touched. My condolences to John, Terri, Lynn, and Mary Jo, and all the family. May God comfort you.*

“ This is Sharon Ehrlichman and family, I have fond memories of summer nights around the campfire enjoying laughs and friends in Pine City. Our families grew up together. I will cherish the memories.

What a kind gentle soul. She will be greatly missed. Rest in Peace, Donna.

“ Donna, was one of the kind. She was always so kind, and caring, her soft voice so soothing, always asking how you were, and your family. She will be missed, but her loving memories will be here for all to cherish. I have some wonderful memories of her, Heaven has now gained one awesome angel.

“ I was so very sorry to hear of Dana's passing. There certainly was never a more gracious, kind, loving, or joyful person. I remember before I started kindergarten we had to learn to tie our shoes. I just could never learn how to do it. So my mom sent me over to Donna who showed me how to tie shoes in the "rabbit ears style" and it worked! Without Donna, I probably would never have been able to go to school. She was a beautiful human being, and will be missed by all!
