“ Donna was a colleague of mine at EMC. She was a wonderful, sweet, fun lady and it was a pleasure to work with her. She had a great attitude and even greater stories. She will definitely be missed. My thoughts are with her friends and family at this difficult time.

“ I worked with Donna at UPS where she worked part time for many years. She was a very hard worker there, and fun to be around, We laughed many times together. Her quick intelligent wit, made it fun to have a conversation with her. Donna spoke of her sons Andrew and Alex often, with a sparkle in her eye, and you could tell she loved them very much.She will be missed, we will keep her in our hearts. L.Ahrens

“ Donna was a parent at Emerson school and South High School, where our kids were classmates for 13 years. She was at every play, Fiesta, science fair, parent-teacher conference, book fair. She often came at the end or in the middle of her work shift, and even during difficult years in her life, she was full of positivity. It was obvious to me that her kids and their activities were a high priority. I'm sure your hearts are full of good memories, and I hope Andrew and Alex find special ways to keep her memory alive. My thoughts are with you.
