“ *I'm so very thankful that Donna was well enough to attend our class reunion this summer. It was so good to see her. I was aware of her health struggles, but I never heard her complain. Our class will most certainly miss her. My thoughts and prayers are with her family.*

“ *How many years I've known Donna as old high school classmates. She suffered much adversity in her life but was there to visit and enjoy life with her friends. We were apart lots of years but reconnected with each other after our 50th high school reunion. There was a small group of us who had lunch and visited and shared from time to time. I truly admired her inner strength to deal with her physical issues and Donna, Chuck, Jan, LaVonne and I shared many fun hours together. Dorothy Bengson Kohl*
