“ I was so grateful to have Donna as a volunteer each Saturday at Longville's library the several years I worked there. She was dependable and faithful about doing a most correct and thorough job of shelving all materials-- even on those difficult bottom shelves. We joked about her "Library Yoga" workout. That's how she stayed so fit! .. Not to mention the daily long walks she religiously took. Donna generously brought LARGE cinnamon rolls from the local convenience store to share at break time where we enjoyed each other's updates of the local weekly happenings. We missed Donna when she moved to Pine River and then further away. She really was a living part of that sweet library, having volunteered there every Saturday for over 20 years. I send my condolences to her family and friends. I feel so lucky to have been Donna's friend and "co-worker".

“ I first met Donna at the Longville Library years ago when I was a newly hired employee. She was a fixture at the library, as she faithfully volunteered there for many years. I know she truly loved the library and continued to come visit us there even after moving to Pine River. It was always such a joy to see her and reminisce about the good old days. My condolences to the family! Katy Botz
