“ Bob, i are so sorry for your loss of a wonderful lady, it was my privilege to have known and I always felt lucky to go help her clean, I felt like she was part of my family. For those of you related you were truly blessed. Your Mother was so very grateful for the love and care you gave to her. She never missed mentioning her three boys and how grateful she was to have them. I loved her sharp wit and appreciated the wisdom she shared. She will truly be missed. Sending you strength through this difficult time. Hope your memories can bring you much love and laughter.
