*Donna's one of  
My favorite people! Her stories of living in the farm, growing up next to  
Dad and family...remembering every single relative and connection  
from the past were always a treat for me...and I always learned  
something new. I'll remember her quilts , her crazy sewing room at  
The house (I loved that house!), and so much fun at the camp outs. But  
she missed her Les so much. Rest in Paradise cousin/auntie.  
Sending love to the families...  
Danyce and Lee*
