“ *A woman full of grace & beauty. She & Bob created a beautiful home & gardens to share with everyone. Donna had a smile that would light up a room. Don't let that smile fool you, she also had a mischievous side to her! I was blessed to have her as a friend for many years. She left a wonderful foot print in this world and a blessing to many.*

“ *Friend and Angel for over 40 yrs, she had me over for her famous waffles with strawberries , and she asked me if I'd been to the dermatologist, she suggested to me to go! Low and behold I did have melanoma, she saved my life! I am Forever-ever grateful for saving my life! She is and will always be my angel! She was a perfectionist at everything she did such a talented couple. I love And will miss my friend forever! Your work on earth is done but what a talented lady with special gifts from God.
