“ Dear Jim, I'm so sorry to hear about Donna's passing. I can't comprehend what an incredible loss this must be for your family. I just remember the bible studies at your house. When your younger daughter Amy would watch over my son while we all prayed. The thing that really stands out was Donna's wisdom and good advice that was always right on. She was so hungry for God and an amazing example to us all. I regret I was unable to attend the funeral. My thoughts and prayers are with you and your beautiful family. Peace to you. “ We feel so sorry for your lose. We would like to come to the funeral but we are not able to drive the distance and the city driving. We have such good memories of Donna and your whole family. WE remember the time Donna sang at our daughter Marjorie's wedding. Also Micheal who played the violin and Katie who also sang. The chair will be so empty. But God had a better plan for her. Rejoicing in Heaven! WOW!! What a day she is having. But our pain is down here. May God's Blessing be upon you and your family. God Loves You!! and so do we!!! Junior & Arlene Stoesz

“ Dear Jim and family, We are deeply saddened by Donna's passing but at the same time we rejoice she is in the presence of our Lord whom she loved so much. Since the day we met Donna, and Jim, 25 years ago you welcomed us as part of your family and loved us through many joys and sorrows. Donna's commitment to praying for others and her love and service for people was evident in her interactions with us and our families from Spain. We will miss her very much. Praying for you- we love you. Miguel, Cristina, Samuel, Pablo and Amy

“ I am devastated to hear of Donna's passing. She will always be a fond, living memory in my heart. If it wasn't for her love, I don't believe I would be where I am today. Much love being sent your way. If I can get a ride, I'll be there in Friday. Lots of love to you and your family. She is, now, with Jesus.

“ We were heart broken to hear the news. She was such a positive force in our lives and many others. When we had just arrive in MN, she showed us love, acceptance and kindness. We are thankful for her life and to have cross paths.
