“ I am a long time friend of Donnas daughter Kathy & her husband Keven. Over the years I have had the pleasure of meeting the rest of the family & have grown to love them as well. Donna was a great lady who raised some wonderful children - I know she was very proud of them all. I have some very fond memories of get togethers & poker games at Kathy & Kevens with Donna & the family. May the love of your wonderful family help ease everyones grief. Continue to Share your precious memories as a celebration of Donnas life.
