“ *Bill, Tom and Carla!*

You have all been in my thoughts and prayers! Losing someone is never easy! Doris was a fun, loving person! I remember her laugh and smile. I was young when we lived next to you but always remember her kindness! I am sure she is now watching over all of you from heaven! May God Bless you and comfort you as you mourn her loss. I am sure she will be greatly missed!

“ *Doris and I worked together at the Farmstead and discovered we were both from Canby (St. Leo). We were pictured together in the Canby News when I wore my Canby sweatshirt and she said, "That's where I graduated from!" She will be missed.*

“ Dear Bill,
We have so many fond memories of “jail ministry” with you and Doris. We have enjoyed the breakfast times after those Sunday mornings where we talked together about faith, family and life. Doris was a bright light for Jesus, that will be missed here on earth, but is burning bright in eternity.
Our deepest condolences in loosing Doris, Bill. We know this will leave a large void in your life.
May you be comforted by the only true Comforter.
May the Lord Bless and Keep you!

Your Friends,
James & Diane Weber

*Hello Bill, I was sad to hear of your loss. Doris leaves fond memories of visiting and working with her at the Farmstead her cheerful smiles and laughs were loved and appreciated so much. Thank you Bill and Doris for taking me to doctor appointment for surgeries. God created us a wonderful world and greater blessings when Heavens gates open for us. You and your family are in my prayers. Gods richest blessings.

“ Dear Bill and family.... we haven't had the joy of knowing you or Doris very long but I'm so glad we had the opportunity to study the Bible and pray in a small home group together. Doris was healed, though not in the way we had all hoped. She always had a smile and her deep faith was inspiring. We grieve, but not as those without hope. She is whole and rejoicing with our Lord. May your many warm memories of being with Doris bring you comfort. May God's peace rest upon your entire family. You are in our prayers.
