

## Doris Marie Miller

September 10, 1936 - February 17, 2019

Age 82, died on Feb. 17, 2019

Of Longfellow neighborhood, Mpls.

Daughter of Nick and Dorothy Miller of Ionia, Iowa. She had been battling cancer, and was surrounded by family at her passing. She was an adventurous spirit whose journey led her from a childhood in the fields of Iowa, to the beaches of Southern California, the mountains of Colorado and finally the lakes of Minnesota in her career as a flight attendant. She then moved on to the Ozarks of Arkansas as a missionary and served the people of Central America under smoldering volcanoes. She raised a son and eventually returned to New Hampton, Iowa to care for her Mother. Her adventure came to an end in the Longfellow neighborhood of Minneapolis. She had returned to Minnesota to be close to her grandchildren. She leaves behind her son Luke Sonner, his wife Christine, and two grandchildren. Grant, a senior in high school, and 10-year-old Liam. She also leaves behind two sisters, Leota and Laura Lee Burns of Cedar Rapids, Iowa. And a brother, Bob Miller, of Maple Grove, Minnesota.

Memorial Service Saturday, March 2nd at 2PM (visitation 1PM) at HOLCOMB-HENRY-BOOM-PURCELL Funeral Home, 536 Snelling Ave N., St. Paul.

“ *The Class of East High School 1954 (Waterloo, Iowa) extends its most sincere sympathy to Doris's family. She was a lovely person who joined us in 9th grade. One of her outstanding features was a radiant face that reflected her love of God.*

“ *My mother was a Schmitz, daughter of Oswald & Marie. Nick & Dorie were a part of my growing up. They lived across the street from Oswald & Marie for a number of years in New Hampton. I am 3 years younger than your mothers. I remember her a a tall (I'm short, everyone is tall) graceful and strong woman. I am very sorry for your loss.*
