“Doris will sure be missed. She has been such a great friend and companion, especially going with us to the U of MN football and Women's basketball games. We had many fun visits and snacks before and after the ball games, as well as time spend chatting on the porch/den at the house, discussing all the world events.

“Doris, you were a special light in the neighborhood, caring and connecting, welcoming and checking in - and yes, keeping everyone you could 'in line'! I will miss you - the neighborhood will not be the same without you!
With Doris' departure, a neighborhood chapter closes... the circle of Doris, Libby, Chuck, Marilyn & Rik was a special one. Each a gift of life in their time. Thank you Doris, for holding the light so long.
Warmest wishes of sympathy to you, Susan, Anne & Charles -
Susan

“ *What a beautiful memorial service for Auntie Da.
Thank you so much for putting on such a lovely service as we all
remembered Da's long and well-lived life!!!
Thank you to the Pillsbury family who traveled from Rhode Island
and represented the family members who were unable to attend.*

“ Uncle George brought me into this world 51 years ago - my life will forever be changed without being able to call you or hear your voice throughout each day, spending time with you, and driving each other crazy. I am forever blessed to be able to call you family. Da - say "hi" to Uncle George, Mom and Dad for me. Love you!
