“ Joy and family, Trudy and family. I have so many memories of your family. We did have a lot of memories when we all lived in Tenney. Want you to know I will be thinking of you during this time of your Mom's passing. Wow 102 Just the other day I had been thinking about her and wondering where she was located. We all know she is in Heaven with her God. Would like to have an address to send you girls a card some time. I will share family news another time.
