“ *Maria and (nephew) Eric St. John send our condolences and well wishes to all family and extended family members for a long and fruitful life, well lived. Nephew Eric - - > Godspeed, Aunt Doris. Well done my good and faithful servant ... you're now resting in the loving arms of our Lord :) I have and cherish fond childhood memories of visiting you and my cousins in Golden Valley. In particular your friendly and giving spirit, your fantastic cooking and your fantastical cooking presentations that left this child in awe ... and also of riding that train with the upright steering wheel around in your basement that I could never get going as fast as I wanted because I turned the wheel too sharply causing the carpet to trip me up or at least slow me down ! Thanks for your endless love and memories :)*
