“ I really miss you G.G., I think about you all the time and see myself in you all the time and I know you are watching me up in Heaven!! I remember sleeping on you on the airplane and always having you watch me from outside from when I got home from school and all the good conversations we had and thanks for always being on my side when me mom and grandma all got in fights or when I was so sad I needed to talk to you.

“ It was truly great getting to know you and your family. Thank you for allowing me to be part of your journey. We truly are kindred spirits and I will truly miss your beautiful smile when I walked into the room. I hope you are enjoying lots of butter pecan ice cream with Sully! Love to you all. Wish I could be there today, but I am working. God bless you all. NICOLE
