“ *What a beautiful day today celebrating Dorothy. So many wonderful friends and family came. Oh Linda, everything was perfect. I am so honored to call you my best friend. I Love You Girlfriend and so loved your Mom. Many, many precious memories.*

“ *Linda, I was so sorry to hear about your Mom. I have MANY wonderful memories of spending time with her and your whole family, even as far back as when you still lived on Glen Paul Road. Your brother was more my age, and I have fond memories of him, but I certainly remember you and your bright smile as well. I was hoping to be able to attend the Memorial Service for Dorothy, but now it looks like I won't be able to get there. We are committed to attending a baptism in St. Cloud tomorrow afternoon, and it won't work for us to get back to town in time to attend that event. My Mom, Myrtle, loved spending time with your Mom and they certainly had a great time singing in choir together for many years. Please know that my thoughts and prayers are with you at this very difficult time.*
