“ So sorry I had not heard about Dorothy's passing. Mary Moline just told me. Then pulled up the obituary notice from the Star Tribune. I was not out of town. I know that I had just finished baling first cutting of hay and we had just had another very heavy rain the day the notice was published. Consequently, probably didn't even look at the paper that day
Your mother/grandmother was a remarkable women and fun to visit with. Best memories were when they were on the farm in Independence with 4-H and Youth Activities. My sincere sympathy!
