“ *My grandma was awesome! I enjoyed our time together and have many fond memories of her. We shared many laughs....good belly laughs. I enjoyed listening to her stories and playing cards with her. I will forever enjoy and treasure the many hand-made gifts she gave me. Although I know she is now with our amazing Lord and Savior, her presence will also remain within those gifts allowing me to carry her with me daily.*

“ *I love how Dorothy was so active and such an inspiration to all with her sewing, social life and moving her own furniture by herself up until a month ago. She always had a cute smile and a can do attitude. I remember her and Vernie reading a funny birthday card together in my mom's livingroom and they laughed until they cried. I always think of the song, " I can only Imagine" by Mercy Me. It is such a blessed assurance that the moment we leave earth we are united with Jesus in the warmth of his arms. I know that she is with Lela, Vernie and Dayle and Rick eating lemon cookies, having coffee and laughing. Until the day we meet again... God bless you who are left behind missing her.*

*I love you all.*
