“ Dear Bob and Pam -

I am truly sorry to hear of my dear friend Dorothy's death. At Battle Creek Elementary we spent many happy moments sharing our teacher concerns and laughing while we watched the kids on the playground. She was a remarkable teacher and a mentor to all of us. Many of us remember the time Bob and Dorothy took a group of us on their boat from King's Cove in Hastings. They were such good hosts and we all had a wonderful time cruising down the river. She was always so proud of you Bobby and kept us up to date on what you were doing.

I have contacted ten of our fellow staff members to let them know. I am so sorry I will not be able to attend the Fort Snelling service but you will be in my thoughts and prayers.

*Love,
Metta Belisle*
