“ My sister and I had many good talks over the past year or so. Sometimes we would agreed to disagree but i always said family first and she agreed. She loved her life in florida and was at the beach any chance she had relaxing and viewing the ocean. I find myself thinking i should text Dottie. But...

“ Most recently, Dottie lived at On Top Of the World in Ocala, FL. She was active on MANY groups. She was always bubbly and so enjoyable to be around. She was teased a lot at Bingo when she kept winning. She was always a hoot at Bocce. We will miss her greatly!!

“ Dottie and I were friends in High School. I met her through Terry Smith and we hung out a lot in 10th - 12th grade then lost touch. We reconnected about eight years ago and had some really fun times and good laughs together with Carol, especially at the 50's restaurant. She made our lunches together so fun. I never made it to Florida to visit but she told me she loved it there. She was a very special person. Although we will all miss her so much, I believe she is dancing on the streets of gold and praising her Savior, Jesus. As a friend once told me when I lost my mother, "It's not really good-bye, it is more like see you later mom." So I say now, "See you later Dottie, until then we will miss you." Blessings and comfort to her children and grandson, Kimberly Ellison (Boegeman)

“ I met Dottie through Kim and Connie Debolt. We spent a fun weekend in Wisconsin Dells in 2018, and other events after. Connie has also left us to soon, but I'm sure was there to greet Dottie at heavens door.

*Thanks for the memories, laughter, pillow fights,
Until we meet again. I pray that
those that loved Dottie find peace. I'm so sorry for your loss.*
