“ *Saying "Goodbye" to Mom is not easy. Life changes forever, for her and for you. I pray God's comfort and peace for you and her descendants. When someone loves much, they grieve much. Be good to yourself in your sorrow--not putting limits or rules, but allowing your soul to feel the pain. May God's sweet presence envelope your soul.*

“ *Our condolences to your family on the loss of your mother/grandmother. We know that she is now in a much better place that she was assured of. Grieve, laugh and rejoice in the memories of her life!*
