“ Dorothy Ewald was a great neighbor, fantastic artist and a sincere friend. Each year at Christmas time, hand created Christmas cards would arrive with a personal drawing of a memory shared that same year. I will miss seeing her at Mass, early morning Mass, will miss her light in the living room, and her working in the flower bed in the back yard, and oh, yes, and the friendly chats at Cub foods. Dorothy, I know in my heart you are in a better place but I miss watching for you to walk by in the Spring or slowly driving down the street headed toward Cub....Rest In Peace my friend!

“ Dear Terri, Susie and Jennifer,  
I am so sorry to hear about the passing of your mother. She was a beautiful and artistic woman. About 10 years ago she sent my daughter Alex the most intricately hand painted card. It was a pink fairy princess with glimmering crystals delicately glued. Not only was the card gorgeous, it was made by a lovely woman in her late 70's. Amazing.

My deepest sympathy ,  
Shirlee Giannini Kozel
