“ Dorothy was a longtime faithful member and an engaging greeter at GracePoint Church in New Brighton for many years. Her warm energetic readiness to converse and extend friendship touched many regardless of age, or any other distinction. There were numerous persons and families who testified that Dorothy was a significant reason for their decision to make GracePoint their church home. Dorothy kept a collection of church directories that covered decades and she was a trustworthy and respectful historian of our faith community. Her loving commitment and faith in Jesus Christ was the foundation of her love and concern for family and friends. She truly impacted many lives for good, and I am personally grateful to have been a pastor and friend. Pastor Mark Watkins
