“ Mike, we were so sorry to hear about your mom. Mom's hold such a special place in our hearts and it is very hard when we have to say goodbye. It is like there is a little empty hole in our hearts. A special place just for them. We are thinking of you and praying for the Peace and Comfort that only Jesus can give. Your mom is right this very minute talking with, laughing with, walking with and being hugged and loved by Jesus.
Love you "brother"!!

“ I just loved Dorothy. She was a big part of my childhood as were the four youngest of her kids. I have years of memories to share. One of my favorites is when Donny Osmond was singing "Puppy Love" on the old 45 player. When he got to the part of "Help me! help me please", Dorothy yelled from across the house, "Well who is that! Don't just stand there! Somebody help them" lol my prayers and condolences to the Koppi family. May God hold her in the palm of his hand.
