“ Dear Carol: My sincere condolences go out to you and I am very sorry to hear about your loss of your beloved mother. I did not know her, but from all the notes I read, your mother seemed to be a special lady. I wish you all the best during this difficult and sad time.

“ Dear Einar and Family, Our most sincere condolences for your loss. I have very fond memories of Dorothy. I remember the “good old days” back in the 60's when the Boardman Street Moms would all get together for coffee in someone's kitchen in the neighborhood. She was a very special lady and she will be missed by everyone that knew her. John and Barb Williamson
