“ We will always love and cherish our Dot Stavros, our unforgettable friend and neighbor. Our deepest condolences to all the Stavros family--Dot and Warren's children, spouses, grand-children and great grandchildren. There will never be anyone like her. We see her smile and hear her laugh even now. Dot's delicious recipes are living on to more generations, including "Dot's Hot Dish"! Such a grand lady, and I regret that I waited too long to come see her again. Her letter at Christmas time is now a priceless treasure. Know that we are thinking of each of the Stavros family members, with prayers and love.

“ My early years were spent growing up "across the backyard" from Dot. What a good and lovely lady with a beautiful smile! I have fond memories of the Barbie cakes she made for my birthdays. Dot helped create a sense of community within our little corner of the neighborhood. The world can never have enough "Dot Stavros." She left a trail of blessings on my life!
