“ *To the Serrine Family...my heart goes out to your family in the loss of Dorrie so suddenly. I remember so many childhood memories growing up in the same neighborhood with the "Twins"...they were the "little ones" in the group. Keep her spirit close to your heart and I'm sure that she will be watching over you now with all our other guardian angels!*

My heartfelt sympathy, your neighbor, Jacki Schweikert

“ I am a long time friend of the Serrine Family. We were neighbors for 25 yrs. and our children grew up together and my Son use to baby sit the "Twins" (Dorrie & David) when they were little. I was shocked to hear of Dorrie passing away! She was so young and had so much to live for! I, too, lost a daughter and my children lost one of their Sisters some years ago, so our family can totally understand the "pain" that you all must be going through now! Even though I have now lived in Florida for the past 25 yrs., Dorries Mother & I still remain friends and continue to correspond to each other. The last trip I took up there to visit Marilyn, Dorrie was at the house "hosting us" and it was such fun to see this lively and vivacious gal with such a winning smile joining in our "reunion" together! My heartfelt prayers, love and healing hugs go out to your whole family! May GOD Bless you and comfort you during this painful time of loss!
