“ Craig, I remember your father very well. I bowled in the league with him for many years and he was a great guy. I don't recall a time when I saw him angry and he was a gracious guy and a nice fellow to be around.

You are a tribute to your father. We also bowled together on the league and both you and I were secretary of the league. I will say a prayer for him.

“ I remember the day I admitted Doug to the Villa at Benedictine. I met this wonderful man and his awesome family. I have such fond memories of him , his wife Pat and the kids. He is at peace now but his memory will live on in the hearts of many. Rest in peace Doug and may the Lord give strength to the family to fill the void left in their hearts.

“ I appreciate the phone call, Pat. Not unexpected but still a difficult one for me. Too many memories from K - 12 for me not to feel it. This is the most welcome time to send our loved ones on to their real home. The meaning of Easter is what this life on earth is all about. Our prayers of comfort are with you and your family. Hugs until we meet you here and Doug again in the home we all know about. Milt and Kay
