“ Having been friends and neighbors for over 20 years, we have fond memories of Doug and Corrine. With my nursing background, Doug always called me his 911 call. I started working at Rivers Edge after stopping in one day and running into Doug. It has been a pleasure to be able to spend time with him. He couldn't say my name, but always gave a little smile and wave. I can only imagine Corrine and him together again. My sympathies, Steve and Jayce..
