While Doug's body was affected by kidney failure for 16 years and many other ailments he never complained about life, he always was positive and saw nothing but good in people. To everyone he met they were his "buddies". Now Doug has a new body, no more pain, and eternity with his heavenly family. A celebration of Doug's life will be held at Grace Church in Eden Prairie on July 24, 2013, visitation at 10:00, memorial service at 11:00 followed by a luncheon. “ *It was always a pleasure to see Doug whenever I would visit the Jones-Harrison Residence. He was warm and friendly and had a great sense of humor. We would talk about his faith and about the many loving friends he had. In spite of all his ailments, he was unfailingly optimistic and energetic. I will miss him a great deal.*
