

Douglas Scott Wilson

September 16, 1945 - September 23, 2023

Wilson, Douglas S.

Born on September 16, 1945, in Lincoln, Nebraska, and a man of boundless passion and dreams, passed away unexpectedly on September 23, 2023, at 78 years old. Raised as an only child by his mother, Gwen Rysgaard, Doug's childhood was shaped by the kindness of his mother, the adventure of his uncle Chuck, and the profound love from his grandma.

Doug graduated from Mounds View High School and then the University of Minnesota. His path led him through various experiences but ultimately he found his calling as an entrepreneur, and the founding of Armor Security, which blossomed into a successful business (and family).

In 1974, Doug's life found greater purpose and joy when he met Margarita, his business partner and soulmate. They married and welcomed three wonderful children-Ana, Jenny, and Joe. He took great pride in his family and created many wonderful memories.

Doug's love for sports and new adventure was infectious. He shared his enthusiasm with his children and grandchildren - always eager to try new activities and create lasting memories. From baseball in the backyard, rollerblading, snowboarding, surfing, and playing tennis or pickleball, Doug's spirit of play was his connection to family and friends.

He leaves behind a loving family, including his wife, Margarita, his children Ana (Ben Theuninck), Jenny (Toby Hyde), and Joe (Gina), and his beloved grandchildren- Stella and Hazel Hyde, Joey Wilson, and Mykenna, James,

and Izabela Theuninck. He will forever be remembered and deeply missed. Funeral Service 11:00 AM Monday, October 2nd at Centennial United Methodist Church (1524 W. Co. Rd. C2, Roseville) with visitation one hour prior at church. Interment Roselawn Cemetery.

In lieu of flowers, memorials preferred to American Heart Association or donor's choice

“ We are deeply saddened by Doug's death. He was a wonderful neighbor and a consummate human: Considerate, humble and friendly, always a smile at the ready. Though sometimes surprised at the unusual tasks of lake life -- docks, lifts, boats, motors, geese, deer, floating weeds -- Doug tackled the jobs with enthusiasm. He knew his work made lake life better for his family and friends. We miss you, Doug. You left us much too soon. Our deepest condolences to Margarita, Jenny and Toby, Ana and Ben, Joe and Gina, and all of your grandkids. Rest in peace; you are in good hands. -- Mike and Connie Cooper; Ben and Anne Cooper

“ To the whole family I am sorry for you loss. I worked for Doug for over six years, are thoughts were very much the same. One of my greatest memory's was when we went to a lock convention in LA, I told him to bring his roller blades and he gave me a strange look, I said just bring them. After our morning obligations we headed to Venice Beach and bladed for a couple hours, he was like a "kid in the candy store". The next day he suggested that we blew off the trade show in order to blade up and down the beach. A great suggestion I have to admit. I saw him over the years and he always brought it up. Going to miss you Doug, rest in peace.
