“ I went to the same one room school as Doug did....Pelican District #39 near Grover SD.
I recall that all the girls thought he was so handsome. My sister Connie had a crush on him. He was four years older than I am, and his cousin Mary Zamow was my best friend.
We used to ride our horses together.

“ Doug and I went to country school Pelican #39 and were the only two in our grade for eight grades. He's like a brother to me. He will be very missed.
